SHAC meetings are subject to the Brown Act. The SHAC shall adhere to the schedule adopted by the GSA Board for meetings and adopt a physical location for regular meetings. Regular meetings may be cancelled by the Management Committee due to the anticipated lack of a quorum or lack of business to

be addressed. Meeting agendas shall be posted in accordance with the Brown Act. However, all attempts will be made to hold in-person meetings, particularly when substantive discussion and formal recommendations are being considered by the SHAC.

All SHAC meetings shall provide for public comment in accordance with the Brown Act, including non-agenda public comment and public comment on individual agenda items. Speakers will generally be limited to 3 minutes, but time may be adjusted based upon meeting circumstances. Special and emergency meetings need not provide for non-agenda public comment, but such comment may be allowed in the SHAC's discretion. Members of the SHAC are subject to all applicable conflict of interest laws including Government Code section 1090 and the California Political Reform Act. Members must live or work with in the Vina subbasin or represent an organization with a presence in the Vina subbasin. The GSA Board will appoint representatives to the SHAC, for a total not to exceed 10 members. The following represents SHAC representation:

The GSA Board will appoint At-large members to fill SHAC seats. Interested individuals from the community or organizations may apply to the GSA Board, designating in the application the seat that the applicant would intend to fill. The GSA Board encourages candidates with experience and familiarity with groundwater and its management. The GSA Board will also give preference to applicants who have the backing of multiple organizations or individuals and/or have experience working with diverse community-based groups.

Application Timeline

The GSA Board will establish a timeline and process for appointment of the initial SHAC following GSA formation. In subsequent years, applicants will submit an application for vacant seats. The GSA will post applications on its website.

SHAC member seats are 4-year terms. SHAC members are not term-limited. However, each term SHAC members must resubmit an application to the GSA Board. Board Recommendations

To inform GSA Board decision-making, the Management Committee will provide written staff reports to the GSA Board including SHAC recommendations and a summary of the related discussion points regarding the recommendations. The staff reports for SHAC recommendations will also identify areas of agreement and disagreement amongst SHAC members by name and the number of SHAC members in support or opposition to inform GSA Board decision-making. The SHAC will strive for consensus when possible, but reaching consensus is not necessary. Consensus means that everyone can at least live with a recommendation. Pursuant to GSA Board direction, the Management Committee will develop the annual work plan and schedule for SHAC meetings. The SHAC will adopt a charter describing its purpose, operating principles and ground rules that will be confirmed by the GSA Board of Directors. The GSA Board will consider SHAC recommendations when making decisions. If the GSA Board does not agree with the recommendations of the SHAC, the GSA Board shall state the reasons for its decision. The Management Committee, develops action minutes, provides a record of the meetings on the website and provides a staff report to the GSA Board as described above. Following SHAC meetings, action minutes will be developed by the Management Committee for approval at the subsequent SHAC meeting. The final version of the action minutes will also be provided to the Vina GSA board.

Process Agreements and Ground Rules

To conduct a successful collaborative process, all SHAC members will work together to create a constructive, problem solving environment. To this end, all members agree to the following process agreements which the SHAC will use, and to ground rules which will guide individual and group behavior.

Process Agreements

- ✓ Everyone agrees to negotiate in good faith. All participants agree to participate in decision making, to act in good faith in all aspects of this effort and to communicate their interests during meetings. Good faith also requires that members not make commitments they do not intend to follow through with, and that members act consistently in the meetings and in other forums where the issues under discussion in these meetings are also being discussed.

- ✓ Everyone agrees to address the issues and concerns of the participants. Everyone who is joining in the SHAC is doing so because s/he has a stake in the issue at hand. For the process to be successful, all the members agree to validate the issues and concerns of the other members and strive to reach an agreement that takes all the issues under consideration. Disagreements will be viewed as problems to be solved, rather than battles to be won.
- ✓ Everyone agrees to inform and seek input from their constituents about the outcome of the facilitated discussions. To the extent possible, scheduling will allow for members to inform and seek input from their constituents, and others about discussions.
- ✓ Everyone agrees that members can meet with other organizational or interest group members in accordance with the Brown Act. SHAC members may find it helpful to meet with other organizations or interest group members and to consult with constituents outside of the meeting so the member is better able to communicate community concerns on the issues at hand.
- ✓ Everyone agrees to attend all the meetings to the extent possible. Continuity of the conversations and building trust are critical to the success of the Advisory Committee. Members are encouraged to turn off cell phones and focus on the issue at hand. GSA staff or the facilitator will coordinate the meeting schedule.

Ground Rules

- ✓ Use Common Conversational Courtesy: Treat each other with mutual respect as you discuss and deliberate groundwater issues.
- ✓ All Ideas and Points of View Have Value: The goal is to achieve understanding. Simply listen, you do not have to agree. If you hear something you do not agree with or you think is "silly" or "wrong," please remember that the purpose of the forum is to share ideas.
- ✓ Be Honest, Fair, and as Candid as Possible: Put your interests forward, help others understand you and listen actively in order to understand others.
- ✓ Avoid Editorials: It will be tempting to analyze the motives of others or offer editorial comments. Please talk about your own ideas and thoughts. Avoid commenting on why you believe another participant thinks something.
- ✓ Honor Time, Be Concise and Share the Air: Help ensure an inclusive discussion by being cognizant of time constraints, stating your views clearly and concisely, and sharing the air so others can participate as well.
- ✓ Think Innovatively and Welcome New Ideas: Creative thinking and problem solving are essential to success. "Climb out of the box" and attempt to think about the problem in a new way.
- ✓ Invite Humor and Good Will: Don't hesitate to bring levity and humor to the process when warranted, as this often helps collaborative discussions.

Amendments

The SHAC can recommend future changes to the charter. The Board may amend the charter when needed using its decision-making procedure.
