5. REGULAR AGENDA

5.2. ITEM ADDED AFTER THE POSTING OF THE AGENDA

CONSIDERATION OF A VINA GSA STAKEHOLDER ADVISORY COMMITTEE APPOINTMENT.

The Vina GSA Stakeholder Advisory Committee (SHAC) is established through the Vina GSA Joint Powers Vina GSA Agreement (JPA) to provide input and recommendations to the Board on the Groundwater Sustainability Plan (GSP). Since time is of the essence to develop the final GSP and the October Vina GSA Board meeting will be a public workshop, the Board will consider an application for the appointment of one of the vacant agricultural well user's representative positions on the SHAC (***Written Report – Kamie Loeser***).

Action: Consider approving the appointment of Joanne Parsley to fill the vacant position as an agricultural well user's representative on the Stakeholder Advisory Committee.
